IN SUPPORT OF ANTI-SALOON LEAGUE

REV. G. D. EDWARDS OF THE
CHRISTIAN CHURCH MAKES A
STIRRING APPEAL—ITS WORK.

Rev. G. D. Edwards, pastor of the Christian Church in his sermon yesterday morning made a strong appeal for both financial and moral support for the Anti-Saloon League. He vividly pointed out the evils of the liquor traffic and urged effort to see that the laws in relation to it should be enforced, and the creation of a sentiment that will lead to better laws. In conclusion he said:

"This league wants money. They have employed a man and propose going to work. They have asked the Methodist and Christian churches to take subscriptions this morning for that purpose. Both pastors have agreed to do so. What will you give?"

In response the church pledged itself to \$177.60.

MONTE CRISTO HAS BIG HOUSE

EVERY SEAT SOLD FOR SATURDAY NIGHT'S PERFORMANCE—A CROWDED HOUSE.

Every seat in the Orpheum was sold for the Saturday evening performance of Monte Cristo. The house was therefore crowded in every part. The famous drama was produced with the same completeness of scenery and the same high standard among the performers as on the previous evenings, and the audience showed approval by plenty of applause. Monte Cristo as given by Richard Buhler and the National Stock Company, was one of the best productions seen here in many years, and it would probably fill the Orpheum again if reproduced.

This evening a comedy "Confusion" will be the bill. It will hold the boards the first three nights of this week, after which "Paul Revere" will be put on.

THINK THURM WAS IN ERROR

LUTHER SEVERENCE OF HILO
SAYS THERE WERE EIGHTEEN
LIVES LOST ON TAMERLANE.

The Hawaii Herald says: T. G. Thurm is usually correct in his historical items but in the list of wrecks he has prepared for the authorities at Washington, an error appears in the line referring to the wreck of the American whaleship Tamerlane, on East Point, Hawaii, February 7, 1892. Luther Severence, who keeps a record of such occurrences, states that there were eighteen lives lost in the wreck. When the ship struck and her breaking up was inevitable the captain first and second officers and fifteen men got into a boat and were lost. The rest of the crew stood by the ship and looking into the sea one of the men saw a chance to get ashore on the wreck-plate. The attempt was successful and the fourteen men who had remained by the ship reached shore safely and came to Hilo. He also omits to mention the loss of the bark Wetmore off Wainaku in 1895.

SUICIDE IN OLAA.

A Japanese residing at Twenty-five Miles, Olaa, took his life yesterday by hanging himself with the sash of his kimono. Appearances indicated that the man had first tried to hang himself from one telephone pole and failed, afterwards wrapping his sash around another pole after trying it in a knot around his neck. And then he jumped to eternity. There is a story of a kidnapped Japanese girl and a threat of vengeance from the man before he took his life also a rumor that the man was helped to his death but this cannot be traced to a reliable source. Deputy Sheriff Petter and Officer Yokota went up and viewed the body and decided it a clear case of suicide. He was a stranger but his passport, a year old, gave his name as Katzo Yaoda.—Hawaii Herald.
